

JOHN DIX TRAVEL

Executive Transport

Our Executive Mercedes Minibus combines style and comfort, it is ideal for corporate or private travel, as well as weddings and airport transfers.

JOHN DIX TRAVEL

If the large boot area isn't sufficient to handle all of your luggage, there are overhead racks in the main saloon of the vehicle for your smaller items.

As well as 16 high back leather seats with 3 point belts, the vehicle benefits from panoramic windows fitted with privacy glass and curtains. There are two tables on board and the vehicle is air conditioned throughout.

The vehicle also boasts USB ports for every passenger and there is a chiller draw to keep any refreshments ambient.

JOHN DIX TRAVEL

Finally, mood lighting and a state of the art sound system complete the offering.
